Students will be taught basic fundamentals pertaining to the game of golf from this award winning Junior Program. Skills being taught will vary from week to week, preparing your child for the golf course and building a foundation to enjoy the game for many years to come. Whether your child has played for several years or is just taking up the game, this will be an exciting program!

This Program will cover the following fundamentals

Full Swing / Chipping / Putting / Fitness / Nutrition / Rules / Etiquette

Safety / On Course Instruction / Course Management

This program will take place in a positive environment, where Junior golfers will be able to interact with old and new friends, learning from our Golf Professionals as they develop their life skills, leading them to become the young adults you envisioned.

Apple Creek's Junior Program will consist of the following...

1. Boys & Girls between the ages of 7-17.
2. Unlimited Golf – Some restrictions will apply – Reduced Junior Non-Member Guest Fee.
